Maher:

I called Baca Chapter and requested that we be put on the Planning Committee Agenda first. I informed Nelson at the Chapter that I would like some type of confirmation since you both are traveling a distance. I gave Nelson your name, Mike's and mine. I have a meeting on Monday but will see if I can be excused for the morning to attend with you both.

Good afternoon Mr. Makerov:

The next Planning Meeting for Baca Chapter is July 1, 2019 at 10:00 am. BNSF will have to present and explain that you would like the Chapter assistance in recommending a Community Liaison to work for BNSF. Then the committee will vote on putting BNSF on the Chapter agenda the Chapter meeting will be scheduled upon completion of the Planning Meeting. When the Chapter Meeting is scheduled BNSF will have to return and present to the Community and they will vote on whom they recommend.

I will try and make myself available to attend.

Hi Vivian,

Thank you for your e-mail. Yes, Mr. Tsosie did provide us with a response to the Draft Memorandum of Understanding, so no need to set up a meeting at this time. Please do make the request concerning the community liaison. With regard to Ex. 6 Personal Privacy (PP) move, no final decision has been made but BNSF will continue to move forward with the new lease permitting process for the time being.

Sincerely,

Mike

EXTERNAL EMAIL

All:

I don't think I should reach out to Mr. Tsosie since he responded to BNSF letter.

But I will request the Chapter to put you on the agenda for the Community Liaison.

So how will this affect the Ex. 6 Personal Privacy (PP) move.

Hi Vivian – Thanks again for the call last week. You asked me to follow up with you today on the below. Please let me know if you have any updates on your end. Also, do you plan to join the next biweekly call on Friday afternoon?

- Vivian to reach out to BIA to help set up a meeting between BIA/BNSF to discuss Draft Memorandum of Understanding
- Vivian to contact Baca-Prewitt Chapter about BNSF's interest in hiring a community liaison

Thanks,
Drew
